

Thank you for entering Waco Agility Group's February 2010 NADAC trial! This is a full trial, but we will do everything possible to keep things moving. Please be considerate of others and help us so that we can get done at a reasonable time. Those of you who entered during the last week before the closing date owe a special thank you to Ed Scharringhausen, Don Cuda and NADAC for allowing us to over fill by two classes.

A copy of your confirmation has been sent to you by e-mail. Please, please, be sure to double check NADAC numbers and runs to be sure I have them entered correctly and that the software has not given you extra runs or changed your division or level after I entered them. This version of the software just came out last week and includes the new times for the 4 and 8" skilled dogs.

-----

There are some new things that have been added for this trial, so please read through this message carefully.

- 1) In an effort to get done at a reasonable time on Friday, we are starting at 4:00 and doing only 1 class of Hoopers and Touch and Go.
- 2) For workers who do 2 classes a day, we have lunch coupons for the concession stand. There will be drinks available in the outer office.
- 3) Northern Horizons Photography Doug Fitzjarrell (Northern Horizons Photography) is planning to be at this trial.
- 4) Later this week I hope to have the gate running orders posted on the WAG web site under Upcoming Events and as a link under details for this trial. Please keep in mind, that this order will change as needed because most handlers are running more than one dog and the software will not let me override jump heights unless I do random order!

In spite of rumors, the weather should be dry on Saturday and Sunday. It will be cold on Friday and slightly warmer this weekend. The forecast is for lows in the 30's and 40's with highs in the upper 50's and 60's.

We have some great specialty awards at this trial! Be sure and sign up! This is the first part of the Spring Two-Step competition. There are special mats and a full package available to the high in trial winner. For those first place dogs, remember that you get a choice of a toy or \$1 off coupons for our next trial.

You will be able to set up after 1:00. Check in is at 3:00 on Friday and 7:00 to 7:30 Saturday and Sunday. Only proficient dogs, jumping 16" or less, without height cards will need to be measured. First dog will be on the line at 4:00 PM Friday and 8:00 AM on Saturday and Sunday. The concession stand will be available on Saturday and Sunday.

We will be running in alternate rings as follows. There will be flip charts to tell you what is happening in Ring 1 and Ring 2! Both rings will be the same size. Ring 1 will be the contact ring on the concession stand side and ring 2 will be the non-contact ring near the check-in table. We will be using separate entrances and exits for both rings this time to make things more smoothly. Be sure to check in at the entry gate. Thanks to all who volunteered to help! Debbie Vogel will have your assignments and we will make sure you have time to walk and run! If you did not volunteer and want to help when there is a vacancy, we always appreciate assistance! The more volunteers we have, the faster things go! Drinks will be available for workers in the office. Workers, who are not WAG members, get \$5 coupons for each class worked. These will be good for any of our future trials:
