Saturday: *Running Small Dogs to Tall Dogs*

Cherry Picking: All Levels by height running Small to Tall

Standard (round #1): Beginner, Intermediate, Superior

Puppy Cannon: All Levels by height running Tall to Small

What is "Walk once, Run Twice" Format?

The "Walk once Run Twice" Format is designed by the North American Dog Agility Council (NADAC). This format has been very successful at one ring trials where course changes may take a degree of time. Exhibitors will walk their course, then run as normal. After all exhibitors have run, exhibitors will then run the exact same course again, with no second walk through. Exhibitors that only sign up for the second run, must walk through with all exhibitors doing the first run.

CHECK-IN & MEASURING:

Friday: Facility will be open for setup, 7-9 p.m. You may set up your crates if you help us set up for the trial!

Saturday: Facility opens at 7:30 a.m., with measuring & check-in at 8:00 a.m.

Sunday: Facility opens at 7:30 a.m., with measuring & check-in at 8:00 a.m.

Desired FEO runs must be noted on entry form or requested at check-in. Any runs entered day of trial MUST be registered for at check in (at 8:00 am).

It is no longer necessary to present a jump height card when entering a TDAA trial. You should be aware that if you enter your dog in a jump height division lower than their official measured jump height, then any qualifying scores will be invalidated.

Forms will be available for those who need a Jump Height Certificate and we will have several judges available to measure your dogs.

SELF-CHECK IN AVAILABLE TO THOSE WHOSE DOGS WHO REGISTERED BEFORE THE PRE-CLOSING DATE AND DO NOT REQUIRE MEASUREMENT.

MOVE-UPS:

Move-ups prior to the trial may be submitted by email to the trial secretary at Debbie.l.vogel@gmail.com before Sept. 20th. **Day of trial move-ups will be accepted until ½ hour before the judge's briefing for that class.** All move-ups must be in writing on a move-up form – no verbal move-ups will be accepted.

OBSTACLE FAMILIARIZATION:

Obstacle Familiarization will take place each day prior to the Judge's Briefing. Sunday familiarization available for dogs not entered Saturday.

FEO (FOR EXHIBITION ONLY) RUNS

Unlimited FEO runs will be offered at this trial. Teams running FEO will have a maximum of 1.5 times the standard course time in the ring. The dog may be on a leash as long as the handler is careful not to get it caught on any obstacles while in the ring. Teams may not repeat any contact obstacles (no training allowed) while running FEO. No food or toys allowed in the ring.

JUDGE'S BRIEFING:

Saturday: 8:45 a.m. First 4" dog on line at 9:00 a.m.

Sunday: 8:45 a.m. First 16" dog on line at 9:00 a.m.

AWARDS:

Ribbons will be awarded for 1st through 3rd in each jump height in each class. Qualifying ribbons will be awarded to all dogs receiving a qualifying score. Dogs may receive placement ribbons without qualifying. **PLEASE LET US KNOW IF YOU ARE ELIGIBLE TO EARN YOUR TAM, TMAG, OR TACH.**

FOOD:

There will be no formal lunch either day at the trial site. Lunch can be purchased at several area restaurants. You are welcome to bring your own lunch and/or ice chests. There are fast food places nearby and within walking distance. There will be snacks and water for workers at the trial. **There will be a one hour break each day to allow exhibitors to leave the show site to procure lunch.**

GAMES DESCRIPTIONS (Note that Judge's Day of Trial Briefings supersedes this information):

Saturday: Cherry Picking

Picking Cherries is a simple dog's choice game. The dog might be directed to as quickly as possible get all the tunnels on the course... and nothing else. *Cherry Picking* is scored Time Only.

Saturday: Tunnel Snooker

Tunnel Snooker is a two-part game. Each part is played and scored on a different basis. The first is dog's-choice in which the dog earns the right to score three "colored" obstacles by doing a *red tunnel* before each. The second part is a simple sequence. *Tunnel Snooker* is scored Points, Then Time.

Sunday: Full House

Full House is a game of timing in which the dog is obligated to collect the elements of the full house, earn as many other points as possible, and end time without losing points on a time penalty. *Full House* is scored Points, Less Penalty, Then Time..

Sunday: Puppy Cannon

Puppy Cannon is a game featuring the pipe tunnel as a test of the handler's skill when redirecting the dog. It is typically played with three (or more) small numbered sequences that can be taken in the order of the handler's choosing. *Puppy Cannon* is scored Time, Plus Faults..

Add-On Games: At the Club and Judge's discretion, additional games may be offered to exhibitors each day at a reduced entry fee. This option will be announced at the trial.

Further games information will be available at the trial. All games are taken from "The Clean Run Book of Agility Games, Fourth Edition" by Bud Houston. E-Copies of this book may be ordered from the Country Dream Online Store at: <http://www.dogagility.org/newstore/index.cfm>.

Fast Track Move-Up (How Fast Track Move Ups work)

Titles may be grand-fathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. Likewise, it is possible to move up from Games I to Games III by earning qualifying scores in both of the lower two levels.

A qualifying score in the lower class is required to move up to the next higher class. *You must submit a copy of title certificates for each dog.* Fast tracked dogs are not eligible for placement or title ribbons, but are eligible to receive Q ribbons.

Submit \$8.00 for each dog's move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable.
